Welcome to Children's Hospital of Illinois

Children's Hospital of Illinois is a hospital-within-a-hospital, located at OSF Saint Francis Medical Center, a part of OSF HealthCare. As the only full-service children's hospital outside of Chicago, your child will be seen by doctors and staff uniquely trained to care for children. You can be assured your child is receiving the very best health care available today by the most qualified and highly trained staff.

- More than 115 pediatric subspecialists practice here, providing care in over 40 pediatric specialties.
- Children's Hospital values family centered-care and service to you and your family during your child's stay and once you go home.

**Family-centered
and faith based.**

Because of the many different services we provide for children, from a hospital stay to outpatient diagnostics and testing, there are many locations where your child may be seen.

For specific questions about Children's Hospital services and programs, please call us at 309.655.3722.
